

Kyoto Landslide
COMMITMENT 2020

International Consortium on Landslides

31 January 2023

To ICL full members and all ongoing IPL project leaders,

Call for 2023 New IPL project proposals and 2023 second stage of ongoing IPL Project proposals

The ICL full members are invited to apply for 2023 new IPL projects.

Ongoing IPL project leaders are invited to propose 2023 second stage of ongoing IPL projects.

The ICL published Vol. 1, No. 1 and No. 2 of the open access book series “Progress in Landslide Science and Technology (P-LRT).”

[Progress in Landslide Research and Technology, Volume 1 Issue 1, 2022 | SpringerLink](#) 16,000 Access

[Progress in Landslide Research and Technology, Volume 1 Issue 2, 2022 | SpringerLink](#) 17,000 Access

Each ICL full member can publish one 10-pages article free of charge per year. Each ICL associate and IPL full member paying one rank low membership fee can publish one 10-pages article by paying BPC (Book Processing Charge) of 250 USD per year.

The book has the category of IPL/WCoE/Kyoto Commitment activities. 14 IPL projects or WCoE activities have been published so far in Vol. 1, No. 1 and No. 2.

- New IPL project leaders are requested to contribute their activity reports/achievements in the forthcoming few years.
- Ongoing IPL project leaders are requested to contribute their activity reports/achievements in the past years.

Vol. 2, No. 1 Book contributions web platform is open now: <https://equinocs.springernature.com/home>. Please have a look to the book editorial manager “EquinOCS”.

Those who are willing to apply for a new IPL project or for the second stage of ongoing IPL projects are requested to fill and send the attached application form to the ICL Network <icl-network@iclhq.org> and KLC secretariat <klc2020@iclhq.org> **by 15 July 2023**.
